

Arrivals and Departures

At Little Adventurers Nursery we give a warm welcome and goodbye to every child and family on their arrival and departure, as well as ensuring the safety of children, parents, visitors, employees, volunteers and students.

Parents are requested to pass the care of their child to a specific member of staff who will ensure his/her safety (this is usually a child's key person). The staff member receiving the child immediately records his/her arrival in the daily attendance register. The staff member also records any specific information provided by the parents, including the child's interests, experiences and observations from home.

If the parent requests the child is given medicine during the day the staff member must ensure that the Medication procedure is followed.

If the child is to be collected by someone who is not the parent at the end of the session, there is an agreed procedure that must be followed to identify the designated person. A password is required, which the parent shares with the person collecting and the nursery. Parents are informed about these arrangements and reminded about them regularly. We do not allow anyone under the age of 17 to collect. If anyone under the age of 17 arrives to collect a child, the parent will be contacted.

The child's key person or other nominated staff member must plan the departure of the child. This should include opportunities to discuss the child's day with the parent e.g. meals, sleep time, activities, interests, progress and friendships. The parent should be told about any accidents or incidents and the appropriate records must be signed by the parent before departure. Where applicable, all medicines should be recovered from the medicine box or fridge after the parent has arrived and handed to him/her personally. The Medication policy is to be followed regarding parent signatures.

The nursery will not release a child to anyone other than the known parent unless an agreement has been made at the time of arrival. In the case of any emergency such as a parent being delayed and arranging for a designated adult to collect a child, the parent should inform the designated adult of the agreed procedure and contact the nursery about the arrangements as soon as possible. If in any doubt the nursery will check

the person's identity by ringing the child's parent or their emergency contact number (please refer to the

Late collection and non-collection of children policy).

On departure, the staff member releasing the child must mark the attendance register immediately to show that the child has left the premises.

Parents will be informed and reminded not to allow any other person onto the premises when dropping off or collecting to ensure safety at all times.

In the unlikely event that someone gains unauthorised access to the premises and if it feels safe to do so, a member of staff will ask the person the purpose of their visit. If needed, our Lockdown policy will be initiated by staff and the police will be called. In any cases where someone has gained unauthorised access to the premises, we will revisit our Arrivals and departures procedures and risk assessment.

Adults arriving under the influence of alcohol or drugs -Please refer to the Alcohol and substance misuse policy.

Arrivals and departures of visitors

For arrivals and departures of visitors the nursery requires appropriate records to be completed on entry and exit, e.g. in the visitors book. Please refer to the Supervision of visitors policy for further information.

Staff, students and volunteers

Staff, students and volunteers are responsible for ensuring they sign themselves in and out of the building, including on breaks and lunchtimes.

Parent's may leave prams in the community garden to the rear of the building at their own risk. Please ensure you cover your pram with a waterproof cover to avoid it getting wet in rainy weather. Parent's must not leave them in the building as they pose a health and safety risk to other users of the building.
